

## REMARKS

Applicants submit herewith a second substitute computer readable form (CFR) copy of the "Sequence Listing"; a second substitute paper copy of the "Sequence Listing"; and a statement that the content of the paper and the computer readable copy is the same and includes no new matter in compliance with 37 C.F.R. §§ 1.821-1.825. The submission of a second substitute is necessary because Applicants have found that sequences 11, 12, and 14 in the substitute sequence listing mailed on December 30, 2004 contained typographical errors and did not correctly reflect the sequences as-filed in the original application. Therefore, Applicants are submitting a second substitute sequence listing which correctly reflects the sequences as originally filed on March 24, 2004.

The specification has been amended to insert the substitute sequence listing.

The Commissioner is hereby authorized to charge any additional fees that may be due, or credit any overpayment of same, to Deposit Account No. 50-0311, Attorney Reference No. 26936-502. Should any questions or issues arise concerning this application, the Examiner is encouraged to contact the undersigned at the telephone number provided below.

Respectfully submitted,
